

AMENDMENT NO.1.3.

INTRODUCTION.

June 26 2003

Application no.	Filing date	Inventor
10 / 042,433	Jan10th 2002	Gopinath.B.

- Amendment 1.1 was introduced in Jan/ February 2003, to incorporate superior structural features in Multi knife cutting device B (inclined cutting action).
- In amendment 1.3 , I propose to do the same in device B variation (page 12 of specification) which is a different embodiment of the multi knife cutting device , inclined cutting action. This will greatly improve the working of the device. This device has knives fixed in a structure at the bottom and the guides move on a fulcrum at the top of the knives.
- I am enclosing all the relevant documents for the amendment 1.3.
- The amendment to the Claim is being done along with all the other claims in a separate amendment.
